Detailed Action

1. Claims 10-13 are presented for examination. This office action is in response to the amendment filed on 6/6/08.
2. Applicants are reminded of the duty to disclose information under 37 CFR 1.56.

REASONS for ALLOWANCE

3. The following is an Examiner's statement of reasons for the indication of allowable subject matter: renumbered claims 1-4 are allowable over the prior art of record because an update of a search previously made does not detect the combined claimed elements as set forth in the claims 1-4. Claims are allowable over the prior art of record because none of the prior art of record teaches or fairly suggests a method for write operation as described in the specification and together with combination of other claimed element as set forth in the claims. Therefore, claims 1-4 are allowable over the prior art of records.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons For Allowance."
